

# SUMMER 2020 STARS PROGRAM

**ExxonMobil Community  
Summer Jobs  
Program**

Amazing Place is welcoming students this summer to participate in our STARS Program (Student Training in Alzheimer's & Respite). The program will once again include 20-25 young adults, ages 16-22, who will be specially trained to interact in various programs with our participants. Last year our STARS provided over 1000 hours of volunteer time, and five students put in more than 100 hours each! We require a commitment from each student of at least 40 hours over the course of the summer. Students who are interested in the program need to fill out a volunteer application online and submit it before May 1, 2020. STARS Application forms can be completed online by clicking below:

We will hold a training session in early June (tentatively scheduled for Tuesday, June 9th from 11:30am-3:00pm) and students are required to attend training in order to volunteer. Once trained, our student volunteers sign up online for shifts throughout the summer. Shifts are typically Monday – Friday 8-9:30am, 9:30am-12pm, 1pm-3:30pm, and 3:30-6pm.

The youth and enthusiasm that our students bring infuse our building with renewed energy and joy. We really look forward to summertime! If you are interested in this fun summer volunteer opportunity, please contact:
