Independent Auditors' Report

To the Board of Directors of Houston's Amazing Place, Inc.:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Houston's Amazing Place, Inc., which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, of functional expenses, and of cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Houston's Amazing Place, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors'* Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Houston's Amazing Place, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Houston's Amazing Place, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and

therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Houston's Amazing Place, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Houston's Amazing Place, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

April 13, 2022

NOTE 1 – ORGANIZATION AND SUMMARY OF ACCOUNTING POLICIES

Organization — Houston's Amazing Place, Inc. (Amazing Place) is a Texas non-profit corporation chartered in September 1998 and located in Houston, Texas. Amazing Place is dedicated to its core mission: empowering lives disrupted by dementia, with the ultimate vision of ending the stigma of dementia. This pursuit has led it to adopt a twofold approach. The Day Program, located in a state-of-the-art wellness center, offers participants with mild to moderate dementia a place to thrive by providing the best in health, family, and culinary services in addition to an evidence-based, meticulously planned curriculum. Participants range in age from 52 to 100 and come from all walks of life. In addition, the Connections Program provides community education and family caregiver support through ten different initiatives offered free or at very low cost. Amazing Place has become a symbol of hope for so many whose lives have been disrupted by dementia.

Amazing Place is governed by a Board of Directors which is comprised of representatives from local churches, referred to as the sponsoring churches, as well as five at-large members. The following churches are represented on the Board of Directors of Amazing Place:

- Bellaire United Methodist
- Bethany Christian
- Chapelwood United Methodist
- First Presbyterian
- River Oaks Baptist
- South Main Baptist
- St. Anne Catholic
- Christ Church Cathedral

- St. John the Divine Episcopal
- St. Luke's United Methodist
- St. Martin's Episcopal

During 2020 amid the COVID-19 pandemic, Amazing Place was forced to temporarily close its in-person Day Program for the safety of participants, staff and volunteers. Responding to the ongoing needs of those living with dementia and their families was critical and the organization spent four months developing a subscription Virtual Activity Program for adults with mild/moderate dementia, which is delivered five days a week for four hours a day via Zoom. The Connections Program adapted all of its community education and family caregiver support initiatives to the virtual format and continued to serve vigorously throughout the year. Amazing Place also launched its Frozen Meals Program, which is based on brain healthy nutrition and is delivered through the Memory Preservation Nutrition Program in the center. Amazing Place re-opened in April 2021 to in-person participants. Many protocols were put in place to ensure the safety of all attendees and staff, including state mandated distancing and space requirements and strict check-in procedures. Many program options, including field trips, group meals, volunteer participation, and more, were limited or curtailed throughout 2021. The virtual options remain, including a Hybrid Program allowing participants to attend in-person some days and virtually for others.

In September 2018, Amazing Place's Board of Directors voted to move forward with the *Amazing Together* Campaign, which had been three years in the making. The funds from this campaign will transform Amazing Place and dramatically increase its reach and impact. The societal impact of Alzheimer's and other dementias is only going to become more dramatic over the coming years. This exciting, ambitious campaign includes building and launching a second location, Amazing Place West, providing an addition to the Drexel location for the Connections Program and increasing endowment and scholarship funds.

<u>Federal income tax status</u> – Amazing Place is exempt from federal income tax under §501(c)(3) of the Internal Revenue Code and is classified as a public charity under §170(b)(1)(A)(vi).

Accounts receivable are from participants and third-party payors for Day Program, Hybrid Program and Virtual Activity Program fees and other services and are based on amounts that reflect the consideration to which Amazing Place expects to be entitled to in exchange for services provided. Amazing Place assesses ability to pay on all participant accounts prior to providing services, does not require collateral or provide financing, but does provide scholarships. Subsequent changes to the consideration Amazing Place expects to receive that are determined to be the result of an adverse change in the customer's ability to pay are recorded as an allowance for uncollectible accounts receivable and bad debt expense. It is Amazing Place's policy to write-off receivables against the allowance when management determines the receivable will not be collected. Accounts receivable were \$38,277, \$35,993 and \$64,844 at December 31, 2021, 2020 and 2019, respectively.

The composition of receivables from participants and third-party payors was as follows at December 31:

	<u>2021</u>	<u>2020</u>
U. S. Department of Veterans Affairs	38%	80%
Private pay	62%	20%

<u>Contributions receivable</u> that are expected to be collected within one year are reported at net realizable value. Amounts expected to be collected in future years are discounted to estimate the present value of future cash flows. Discounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of discounts is included in contributions revenue. An allowance for uncollectible receivables is provided when it is believed balances may not be collected in full. The adequacy of the allowance at the end of each period is determined using a combination of historical loss experience and donor-by-donor analysis of balances.

<u>Investments</u> are reported at fair value. Net investment return consists of interest and dividends, realized and unrealized gains and losses, net of external and direct internal investment expenses.

<u>Property and equipment</u> are reported at cost if purchased or at fair value at the date of gift if donated. Amazing Place capitalizes property and equipment that have a cost or fair value of \$1,000 or greater and an estimated useful life of more than one year. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets, which range from 4 to 50 years.

<u>Net asset classification</u> – Net assets, revenue, gains, and losses are classified based on the existence or absence of donor-imposed restrictions, as follows:

- *Net assets without donor restrictions* are not subject to donor-imposed restrictions even though their use may be limited in other respects such as by contract or board designation.
- Net assets with donor restrictions are subject to donor-imposed restrictions. Restrictions may be temporary in nature, such as those that will be met by the passage of time or use for a purpose specified by the donor, or may be perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Net assets are released from restrictions when the stipulated time has elapsed, or purpose has been fulfilled, or both. Contributions of long-lived assets and of assets restricted for acquisition of long-lived assets are released when those assets are placed in service. Donor-restricted endowment earnings are released when those earnings are appropriated in accordance with spending policies and are used for the stipulated purpose.

<u>Contributions</u> are recognized as revenue at fair value when an unconditional commitment is received from the donor. Contributions received with donor stipulations that limit their use are classified as *with donor restrictions*. Conditional contributions are subject to one or more barriers that must be overcome before the organization is entitled to receive or retain funding. Conditional contributions are recognized as revenue at fair value when the conditions have been met.

<u>In-kind contributions</u> – Donated materials and use of facilities are recognized as contributions at fair value when an unconditional commitment is received from the donor. The related expense is recognized as the item is used. Contributions of services are recognized when services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Volunteers provided more than 4,215 and 3,010 volunteer hours in 2021 and 2020, respectively, to assist Amazing Place in providing program services for which no amount has been recorded in the financial statements because the services did not meet the criteria for recognition under generally accepted accounting principles.

<u>Day program revenue</u> is derived primarily from contracts with individuals or third-party payors to provide an in-person day center, hybrid or virtual activity programs and sale of nutritional meals for adults from the greater Houston area with mild to moderate dementia and are recognized as performance obligations are satisfied, in an amount that reflects the consideration that Amazing Place expects to be entitled to in exchange for those services. As a practical expedient, Amazing Place considers enrollment fees to be immaterial and accordingly, they are not disaggregated from participant revenue.

Performance obligations related to revenue from contracts with customers for in-person day center, hybrid and virtual activity programs are satisfied over a period of time as services are provided. Amazing Place recognizes revenue based on the service output as it believes this to be the most faithful depiction of the transfer of control of services as participants simultaneously receive and consume the benefits provided by the performance. For performance obligations related to the sale of nutritional meals, revenue is recognized at the point in time when the meals are delivered to the customer.

Revenue from contracts with individuals is billed on the first of each month in which the services are to be provided based on the number of days the participant chooses to attend the day center or hybrid program. The virtual activity program is provided through a subscription which is monthly, three or six months, and payments are due 30 days from the invoice date. Revenue from contracts with third-party payors is billed at the end of the month based on actual attendance. Private pay rates are determined and published and periodically updated by management. Reimbursement rates from private third-party payors are negotiated with each payor. These participants are responsible for co-insurance and deductibles that vary in amount. Services rendered to veterans are paid at daily rates determined by the U. S. Department of Veterans Affairs (USDVA). These amounts are due from participants or third-party payors and include variable consideration such as explicit price concessions. Explicit price concessions include contractual adjustments provided to participants and third-party payors. These adjustments are estimated based on the most likely amount subject to the terms of the payment agreement with the payors and the historical adjustment activity. Scholarships awarded reduce the amount of consideration Amazing Place expects to be entitled to receive and the participant revenue is presented net of scholarships.

Amazing Place has elected the practical expedient to not adjust the promised amount of consideration for the effects of a significant financing component due to expectations that the periods between the time services are provided and the time payment is received would be less than one year. At fiscal year end, there are no unsatisfied performance obligations.

<u>Special events revenue</u> is the total amount paid by sponsors and attendees of an event and includes elements of both contributions and exchange transactions. Special events revenue is recognized when the event occurs. Direct donor benefit costs represent the cost of goods and services provided to attendees of special events.

Advertising costs are expensed as incurred.

<u>Functional allocation of expenses</u> – Expenses are reported by their functional classification. Program services are the direct conduct or supervision of activities that fulfill the purposes for which the organization exists. Fundraising activities include the solicitation of contributions of money, securities, materials, facilities, other assets, and time. Management and general activities are not directly identifiable with specific program or fundraising activities. Expenses that are attributable to more than one activity are allocated among the activities benefitted. Salaries and related costs are allocated on the basis of estimated time and effort expended. Depreciation of building and improvements and occupancy costs are allocated based on square footage. Information technology costs are allocated based on estimates of time and costs of specific technology utilized.

<u>Estimates</u> – Management must make estimates and assumptions to prepare financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, the amounts of reported revenue and expenses, and the allocation of expenses among various functions. Actual results could vary from the estimates that were used.

Recent financial accounting pronouncement – In February 2016, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) 2016-02, Leases (Topic 842). Under this ASU, a lessee should recognize in the statement of financial position a lease liability and a lease asset representing its right to use the underlying asset for the term of the lease for both finance and operating leases. An entity may make an accounting policy election not to recognize lease assets and lease liabilities for leases with a term of 12 months or less. Recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee have not changed significantly. Qualitative and quantitative disclosures are required by lessees and lessors to enable users of financial statements to assess the amount, timing and uncertainty of cash flows arising from leases. The ASU is effective for fiscal periods beginning after December 15, 2021. Amazing Place plans to adopt this ASU for fiscal year ending December 31, 2022. Upon adoption, management expects to recognize lease commitments as both a right of use asset and a lease liability in the statement of financial position for commitments that are currently only disclosed in the financial statements.

NOTE 2 – LIQUIDITY AND AVAILABILITY OF RESOURCES

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use within one year of December 31 comprise the following:

	<u>2021</u>	<u>2020</u>
Financial assets:		
Cash	\$ 4,337,924	\$ 3,161,574
Accounts receivable	38,277	35,993
Contributions receivable, net	1,694,981	2,221,493
Investments	1,181,218	1,076,427
Total financial assets	7,252,400	6,495,487
Less financial assets not available for general expenditure:		
Contributions receivable for capital additions	(1,342,473)	(2,070,017)
Endowment assets less amounts appropriated for upcoming year	(1,099,707)	(1,036,892)
Cash board-designated for capital campaign	(800,000)	(810,457)
Board-designated reserves less amounts to be used for upcoming year	(170,618)	(217,220)
Operating contributions receivable due in more than one year		(19,648)
Cash restricted for capital campaign	(2,552,858)	(1,102,852)
Purpose-restricted net assets not expected to be satisfied in		
upcoming year	(392,316)	
Total financial assets available for general expenditure	<u>\$ 894,428</u>	\$ 1,238,401

For purposes of analyzing resources available to meet general expenditures over a 12-month period, Amazing Place considers all expenditures related to its ongoing activities of providing a day center for adults with mild to moderate dementia and also support and education, as well as the conduct of services undertaken to support those activities, to be general expenditures.

To manage unanticipated liquidity needs, Amazing Place has a committed line of credit of \$250,000, all of which could be drawn upon. Additionally, Amazing Place has board-designated reserves of \$190,618 at December 31, 2021. Although Amazing Place does not intend to spend from the board-designated cash and investments, amounts from the board-designated cash and investments could be made available, if necessary.

In March 2020, the Director-General of the World Health Organization declared a pandemic related to the global outbreak of the new coronavirus COVID-19 and a national emergency was declared in the United States. As a result of stay-at-home orders and other restrictions, Amazing Place converted its luncheon to a virtual event, temporarily closed in-person programming, converted to virtual programming and established a frozen meal program. Amazing Place re-opened the in-person Day Program on April 15, 2021.

To enhance its liquidity, Amazing Place received an unsecured bank loan of \$314,280 in April 2020, funded under the Small Business Administration's Paycheck Protection Program (PPP). The loan was forgiven in December 2020 as Amazing Place met the eligibility requirements and used the loan to fund qualified payroll and other eligible costs. The amount forgiven was recognized as contribution revenue in 2020. In March 2021, Amazing Place received a \$387,764 Second Draw PPP loan. Management believes it has met all criteria to be eligible to receive full forgiveness and recognized \$387,764 as a contribution in 2021. In addition, Amazing Place received an Employee Retention Credit (ERC) grant under the Coronavirus Aid, Relief, and Economic Security Act in the amount of \$164,970 in 2021.

NOTE 3 – CASH

Cash consists of the following:

	<u>2021</u>		<u>2020</u>
Operating cash	\$ 840,670	\$	1,031,093
Board-designated reserves	144,396		217,172
Board-designated for capital campaign	800,000		810,457
Cash restricted for capital campaign	 2,552,858	_	1,102,852
Total cash	\$ 4,337,924	\$	3,161,574

Bank deposits exceed the federally insured limit per depositor per institution.

NOTE 4 – CONTRIBUTIONS RECEIVABLE

Contributions receivable are as follows:

	<u>2021</u>	<u>2020</u>
Contributions receivable Discount to net present value at 0.17% to 1.62%	\$ 1,722,846 (27,865)	\$ 2,237,149 (15,656)
Contributions receivable, net Contributions receivable for capital additions, net	1,694,981 (1,342,473)	2,221,493 (2,070,017)
Operating contributions receivable, net	\$ 352,508	<u>\$ 151,476</u>

Contributions receivable at December 31, 2021 are expected to be collected as follows:

Less than one year	\$ 1,072,846
One to five years	650,000
Total contributions receivable	\$ 1,722,846

NOTE 5 – INVESTMENTS AND FAIR VALUE MEASUREMENTS

Investments consist of the following:

	· -	<u> 2021</u>		<u>2020</u>
Common stock	\$	524,256	\$	430,136
Money market mutual fund		481,298		405,648
Corporate bonds		158,290		223,304
Preferred stock		17,374		17,339
Total investments	<u>\$ 1.</u>	181,218	<u>\$ 1</u>	1,076,427

Investments are exposed to various risks such as interest rate, market and credit risks. Because of these risks, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position and statement of activities.

Generally accepted accounting principles require that certain assets and liabilities be reported at fair value and establish a hierarchy that prioritizes inputs used to measure fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the reporting date.
- Level 2 Inputs are other than quoted prices included in Level 1, which are either directly observable or can be derived from or corroborated by observable market data at the reporting date.
- Level 3 Inputs are not observable and are based on the reporting entity's assumptions about the inputs market participants would use in pricing the asset or liability.

Assets measured at fair value at December 31, 2021 are as follows:

	LEVEL 1	LEVEL 2	LEVEL 3	TOTAL
Investments:				
Common stock:				
Consumer	\$ 137,495			\$ 137,495
Information technology	133,698			133,698
Utilities and telecommunication	91,643			91,643
Industrial and materials	59,631			59,631
Healthcare	59,203			59,203
Financial	42,586			42,586
Money market mutual fund	481,298			481,298
Corporate bonds		\$ 158,290		158,290
Preferred stock	 17,374	 		 17,374
Total assets measured at fair value	\$ 1,022,928	\$ 158,290	\$ 0	\$ 1,181,218

Assets measured at fair value at December 31, 2020 are as follows:

	<u>level 1</u>	LEVEL 2	LEVEL 3		<u>TOTAL</u>
Investments:					
Common stock:					
Consumer	\$ 104,343			\$	104,343
Information technology	107,481				107,481
Utilities and telecommunication	74,822				74,822
Industrial and materials	43,339				43,339
Healthcare	54,349				54,349
Financial	33,679				33,679
Energy	12,123				12,123
Money market mutual fund	405,648				405,648
Corporate bonds		\$ 223,304			223,304
Preferred stock	 17,339	 			17,339
Total assets measured at fair value	\$ 853,123	\$ 223,304	<u>\$ 0</u>	<u>\$</u>	1,076,427

Valuation methods used for assets measured at fair value are as follows:

• Common and preferred stock are valued at the closing price reported on the active market on which the individual securities are traded.

- *Mutual funds* are valued at the net asset value of shares held at year end.
- Corporate bonds are valued using prices obtained from independent quotation bureaus that use computerized valuation formulas which may include market-corroborated inputs for credit risk factors, interest rate and yield curves and broker quotes to calculate fair values.

These valuation methods may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Amazing Place believes its valuation methods are appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

NOTE 6 – PROPERTY AND EQUIPMENT

Property and equipment consists of the following:

	<u>2021</u>	<u>2020</u>
Land	\$ 1,955,142	\$ 1,955,142
Building and improvements	4,700,239	4,677,798
Furniture and fixtures	508,271	494,476
Office equipment	289,210	289,210
Vehicles	61,938	61,938
Construction in progress	468,567	429,711
Total property and equipment, at cost	7,983,367	7,908,275
Accumulated depreciation	(1,810,877)	(1,653,712)
Property and equipment, net	\$ 6,172,490	\$ 6,254,563

NOTE 7 – NOTES PAYABLE

Amazing Place has a \$250,000 revolving line of credit with a bank with interest at prime rate plus 0.5 percentage points (3.75% at December 31, 2021), which expires on June 25, 2023. There are no amounts outstanding on this line of credit at December 31, 2021. The line of credit agreement contains certain covenants related to working capital and additional borrowings, and gives the bank the ability to use certain account balances to offset any amounts due under the line of credit.

In June 2019, Amazing Place entered into an \$800,000 loan with Texas Methodist Foundation (TMF) in connection with the purchase of land in West Houston/Katy, Texas area. The note was refinanced in 2020 and bears interest at a fixed rate of 3.95% with monthly interest only payments until July 2023, at which time payments will be based on a 19-year amortization with the interest rate adjusted every three years based on prime rate. TMF also granted a deferral of interest payments of \$10,457 until the maturity date of the loan. The note is secured by land purchased and matures on July 7, 2042. Interest of \$31,593 and \$41,608 was capitalized in 2021 and 2020, respectively.

Principal payments at December 31, 2021 are due as follows:

2023	\$ 14,244
2024	29,346
2025	30,613
2026	31,845
Thereafter	693,952
Total	\$ 800,000

NOTE 8 – NET ASSETS WITHOUT DONOR RESTRICTIONS

Net assets without donor restrictions are comprised of the following:

	<u>2021</u>	<u>2020</u>
Property and equipment, net	\$ 4,903,923	\$ 5,024,852
Undesignated	881,947	824,729
Designated for capital campaign	800,000	810,457
Board-designated reserves:		
Operating	92,488	81,159
Scholarship	36,315	36,315
Capital	31,815	69,746
Maintenance	30,000	30,000
Total net assets without donor restrictions	<u>\$ 6,776,488</u>	<u>\$ 6,877,258</u>

The Board of Directors (the Board) has established four reserves for operating, scholarships, capital, and maintenance. The following policies have been adopted for the funding and use of the reserve funds:

- Operating Reserve The maximum balance of the operating reserve will be 30% of the current year's operating expenses. The reserve will be replenished annually based on 10% of net positive cash flow.
- Scholarship Reserve The net investment return earned on funds set aside for the scholarship reserve will be added to the scholarship reserve annually to replenish it.
- Capital Reserve The minimum balance for the capital reserve will be \$50,000 with a maximum balance of \$100,000. The capital reserve will be replenished annually based on 10% of annual depreciation expense. If the capital reserve exceeds \$100,000 upon replenishment, the excess funds will be added to the operating reserve.
- Maintenance Reserve The minimum balance for the maintenance reserve is \$15,000 with a maximum balance of \$30,000. The maintenance reserve will be replenished annually based on 2% of participant revenue. If the maintenance reserve exceeds \$30,000 upon replenishment, the excess funds will be added to the operating reserve.

2020

2021

Any disbursements from the reserve funds must be approved by the Board.

NOTE 9 – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted as follows:

	<u>2021</u>	<u>2020</u>
Subject to expenditure for specified purpose:		
Amazing Together Campaign – capital	\$ 4,044,864	\$ 3,598,021
Amazing Together Campaign – scholarships	222,810	
Participant scholarships	209,506	121,972
Connections Program	78,134	39,623
Other	4,559	4,559
Total subject to expenditure for specified purpose	4,559,873	3,764,175
Subject to passage of time: Contributions receivable that are not restricted by donors, but which are unavailable for expenditures until due	57,648	89,648
Endowments:		
Subject to spending policy and appropriation:		
General operations	1,139,194	1,076,379
Total net assets with donor restrictions	\$ 5,756,715	\$ 4,930,202

NOTE 10 – ENDOWMENT FUNDS

Amazing Place has a donor-restricted endowment fund to support operations, which is maintained in accordance with the explicit donor stipulations and are subject to the Texas Uniform Prudent Management of Institutional Funds Act (TUPMIFA). TUPMIFA provides guidelines about what constitutes prudent spending and explicitly requires consideration of preservation of the fund. The Board of Amazing Place has interpreted TUPMIFA as requiring a focus on the entirety of donor-restricted endowment fund, including original gift amounts and net appreciation, allowing Amazing Place's Board to appropriate for expenditure or accumulate as much of an endowment fund as considered prudent for the uses, benefits, purposes, and duration for which the fund was established, subject to explicit donor stipulations.

As a result of this interpretation, Amazing Place classifies contributions to the endowment plus any donor-stipulated accumulations as *net assets with donor restrictions* required to be maintained in perpetuity. This amount is not reduced by investment losses or by appropriation and spending. The portion of the endowment not required to be maintained in perpetuity is classified as *net assets with donor restrictions* until appropriated in accordance with spending policies and used for the stipulated purpose, if any.

An endowment fund is *underwater* if the fair value of the fund's investments falls below the amount required to be maintained in perpetuity because of declines in the fair value of investments and/or continued appropriation and spending in accordance with prudent spending. There were no such deficiencies at December 31, 2021 and 2020.

Investment Policies and Strategy

Amazing Place has adopted an investment policy for endowment assets that has the objective to obtain the best possible return on investments commensurate with a moderate degree of risk with diversification of assets among different classes of investments as a means of reducing risk. Under this policy, as approved by the Board, the investments may be invested in mutual funds, index funds, common trust funds, or actively managed in stocks, bonds and other securities.

Amazing Place has a policy of appropriating for distribution each year 50% of the earnings from the endowment, not to exceed 4% of the endowment fund's average market value for the prior twelve quarters through the calendar year end preceding the fiscal year in which the distribution is planned. Investment return that is in excess of the stated disbursement objective will be reinvested. To the extent that the current year's investment return is insufficient to meet the minimum disbursement objective, Amazing Place may use reinvested income from prior or subsequent years to make up the difference in the current year's shortfall. In establishing this policy, Amazing Place considered the long-term expected return on its endowment, the nature and duration of the endowment fund, and the possible effects on inflation.

Changes in the donor-restricted endowment fund are as follows:

	WITH DONOR RESTR	LICTIONS
	ACCUMULATED REQ	QUIRED TO BE
	NET INVESTMENT M	AINTAINED
	<u>RETURN</u> <u>IN</u>	PERPETUITY TOTAL
Endowment net assets, December 31, 2019	<u>\$ 329,412</u> <u>\$</u>	725,882 \$ 1,055,294
Net investment return	59,454	59,454
Distributions	(38,369)	(38,369)
Endowment net assets, December 31, 2020	350,497	725,882 1,076,379
Net investment return	104,790	104,790
Distributions	(41,975)	(41,975)
Endowment net assets, December 31, 2021	<u>\$ 413,312</u> <u>\$</u>	725,882 \$ 1,139,194

Endowment net assets are comprised of investments at December 31, 2021 and 2020.

NOTE 11 – CONDITIONAL CONTRIBUTIONS

In addition to the PPP loans and ERC grant disclosed in Note 2, Amazing Place received two other conditional contributions. In October 2021, Amazing Place received a conditional contribution from a foundation totaling \$2,000,000 for the *Amazing Together* campaign. The contribution is conditioned upon raising an additional \$2,420,202 for the *Amazing Together* campaign by October 12, 2022. As of December 31, 2021, no amount has been recognized as the conditions have not been met.

In 2017, Amazing Place was awarded a grant from the Administration for Community Living, U. S. Department of Health and Human Services (ACL-DHHS) for expanded and new direct services for persons with Alzheimer's disease or related dementias and their families. The total three-year cost reimbursement award was \$832,952, with an additional \$277,650 of matching funds to be raised by Amazing Place over the three-year period. During this three-year period, the organization developed a long-term sustainability plan to maintain these expanded services. During 2020, Amazing Place was awarded a COVID-19 adaption of \$15,000 from part of the original grant. This allowed use of grant funds for scholarships for the Virtual Activity Program. During 2021 and 2020, Amazing Place recognized approximately \$10,000 and \$256,000, respectively, in contribution revenue under this cooperative agreement as it incurred expenditures in compliance with grant provisions and met the match.

In September 2021, Amazing Place was awarded an additional grant from the ACL-DHHS to continue the expanded and new direct services for persons with Alzheimer's disease or related dementias and their families. The total three-year cost reimbursement award is \$985,883, with an additional \$328,627 of matching funds to be raised by Amazing Place over the three-year period. At December 31, 2021, Amazing Place has \$985,883 of conditional contributions from the ACL-DHHS which have not been recognized in the accompanying financial statements because the conditions have not been met.

Government awards require fulfillment of certain conditions as set forth in the agreements and are subject to review and audit by the awarding agencies. Such reviews and audits could result in the discovery of unallowable activities and unallowable costs. Consequently, the funding source may, at its discretion, request reimbursement for expenses or return of funds as a result of non-compliance by Amazing Place with the terms of the agreement. Management believes such disallowances, if any, would not be material to Amazing Place's financial position or changes in net assets.

NOTE 12 – DAY PROGRAM REVENUE

Amazing Place disaggregates revenue from contracts with customers by type of services and payor source as this depicts the nature, amount, timing, uncertainty and cash flows as affected by economic factors. Revenue from contracts with customers, which is recognized over time, consists of the following for the years ended December 31, 2021 and 2020:

			2021		
		OVER TIME		POINT-IN-TIME	
	IN-PERSON PROGRAMS	VIRTUAL ACTIVITY <u>PROGRAM</u>	HYBRID PROGRAM	NUTRITIONAL MEALS	<u>TOTAL</u>
Private pay	\$ 261,913	\$ 72,939	\$ 73,561	\$ 49,285	\$ 457,698
U. S. Department of Veterans Affairs	58,800	26,178	3,515	,	88,493
Commercial insurance	56,604	6,600	19,145		82,349
Total	\$ 377,317	<u>\$ 105,717</u>	\$ 96,221	\$ 49,285	<u>\$ 628,540</u>
			20	20	
		OVER 7	ГІМЕ	POINT-IN-TIME	
			VIRTUAL		
		IN-PERSON	ACTIVITY	NUTRITIONAL	
		DDOCDAMC	DDOCDAM	MEALC	TOTAL
		PROGRAMS	<u>PROGRAM</u>	<u>MEALS</u>	<u>TOTAL</u>
Private pay		PROGRAMS \$ 215,390	PROGRAM \$ 42,876	·	* 289,992
Private pay U. S. Department of Veterans Affairs				\$ 31,726	
1 0		\$ 215,390	\$ 42,876	\$ 31,726	\$ 289,992

An amended services plan with the U. S. Department of Veterans Affairs was executed in fiscal year 2020 to allow for reimbursement for the Virtual Activity Program. This includes monthly in-home wellness checks, meals, weekly check-in calls, and the Virtual Activity Program.

Amazing Place awarded scholarships to participants of \$50,066 and \$51,839 in fiscal years 2021 and 2020, respectively.

NOTE 13 – COMMITMENTS

In February 2007, Amazing Place entered into a long-term ground lease for a portion of the land occupied by its facility. The total ground lease payments were approximately \$3,550 in 2021 and 2020. Future minimum rental payments due under the lease are as follows:

2022	\$ 3,550
2023	3,550
2024	3,550
2025	3,550
2026	3,550
Thereafter through 2067	142,590
Total	\$ 160,340

NOTE 14 – CONCENTRATIONS

At December 31, 2021 and 2020, approximately 66% and 75% of contributions receivable, respectively, are due from four donors. During 2021, contributions from four donors comprised 40% of total contributions. During 2020, contributions from two donors comprised 42% of total contributions.

NOTE 15 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through April 13, 2022, which is the date that the financial statements were available for issuance. As a result of this evaluation, no events were identified that are required to be disclosed or would have a material impact on reported net assets or changes in net assets.
