

## SUMMER 2019 STARS PROGRAM

Amazing Place is welcoming students this summer to participate in our STARS Program (Student Training in Alzheimer's & Respite). The program will once again include 20-25 young adults, ages 16-22, who will be specially trained to interact in various programs with our participants. Last year our STARS provided over 1000 hours of volunteer time, and five students put in more than 100 hours each! We ask for a commitment from each student of at least 40 hours over the course of the summer. Students who are interested in the program need to fill out a volunteer application online and submit it before May 15, 2019. STARS Application forms can be completed online by clicking the link below:

We will hold a training session in early June and students are required to attend prior to beginning to volunteer. Once trained, our student volunteers sign up online for 3-hour shifts throughout the summer. Shifts are currently Monday – Friday 8-9:00am, 9am-12pm, 1pm-4pm, and 4-6pm. The youth and enthusiasm that our students bring infuse our building with renewed energy and joy. We really look forward to summertime!
