

SUMMER 2021 STARS PROGRAM

**ExxonMobil Community
Summer Jobs
Program**

Amazing Place will welcome students next summer to participate in our STARS Program (Student Training in Alzheimer's & Respite). The program will once again include 20-25 young adults, ages 16-22, who will be specially trained to interact in various programs with our participants. In past years, our STARS have provided over 1000 hours of volunteer time, and several students have put in more than 100 hours each! We require a commitment from each student of at least 40 hours over the course of the summer. Students who are interested in the program for summer 2021 will need to fill out a volunteer application online and submit it before May 1, 2021. STARS Application forms can be completed online beginning February 1, 2021.

We will hold a training session in early June 2021 and students are required to attend training in order to volunteer. Once trained, our student volunteers sign up online for shifts throughout the summer. Shifts are typically Monday – Friday 8-9:30am, 9:30am-12pm, 1pm-3:30pm, and 3:30-6pm.

The youth and enthusiasm that our students bring infuse our building with renewed energy and joy. We really look forward to summertime! If you are interested in this fun summer volunteer opportunity, please contact:
