Independent Auditors' Report

To the Board of Directors of
Houston's Amazing Place, Inc.:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Houston's Amazing Place, Inc., which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, of functional expenses, and of cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Houston's Amazing Place, Inc. as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Houston's Amazing Place, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Houston's Amazing Place, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and

therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Houston's Amazing Place, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Houston's Amazing Place, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Houston's Amazing Place, Inc.

Notes to Financial Statements for the years ended December 31, 2023 and 2022

NOTE 1 – ORGANIZATION AND SUMMARY OF ACCOUNTING POLICIES

Organization – Houston's Amazing Place, Inc. (Amazing Place) is a Texas non-profit corporation chartered in September 1998 and located in Houston, Texas. Amazing Place is dedicated to empowering families facing the challenges of dementia and Alzheimer's and advancing brain health for all. This pursuit has led it to adopt a twofold approach. The Day Program, located in a state-of-the-art wellness center, offers participants with mild to moderate dementia a place to thrive by providing the best in health, family, and culinary services in addition to an evidence-based, meticulously planned curriculum. Participants range in age from 52 to 100 and come from all walks of life. In addition, the Connections Program provides community education and family caregiver support through ten different initiatives offered at no cost. Amazing Place has become a symbol of hope for so many whose lives have been disrupted by dementia.

Amazing Place is governed by a Board of Directors which is comprised of representatives from local churches, referred to as the sponsoring churches, as well as five at-large members. The following churches are represented on the Board of Directors of Amazing Place:

- Bellaire United Methodist
- Bethany Christian
- Chapelwood United Methodist
- First Presbyterian
- River Oaks Baptist
- South Main Baptist
- St. Anne Catholic
- Christ Church Cathedral
- St. John the Divine Episcopal
- St. Luke's United Methodist
- St. Martin's Episcopal
- St. Paul's United Methodist
- St. Philip Presbyterian
- St. Stephen's Episcopal
- Memorial Drive Presbyterian
- West University United Methodist

In September 2018, Amazing Place's Board of Directors voted to move forward with the *Amazing Together* Campaign, which had been three years in the making. The funds from this campaign will transform Amazing Place and dramatically increase its reach and impact. The societal impact of Alzheimer's and other dementias is only going to become more dramatic over the coming years. This exciting, ambitious campaign includes building and launching a second location, Amazing Place West, providing an addition to the Drexel location for the Connections Program (Family Caregiver Support/Brain Health Education) and increasing endowment and scholarship funds. In 2022, the addition to the Drexel location was completed and on November 2, 2023, the groundbreaking ceremony for Amazing Place West occurred and the organization anticipates facility completion in the spring of 2025.

In 2021, Amazing Place received a collaborative grant from the Administration for Community Living to launch three new and expanded initiatives. The Faith Care Connection program was expanded into the West Houston/Katy community, working alongside churches to serve older adults living alone at risk, or with dementia. In addition, the Faith Care Connection team trains clergy, staff, and lay leaders about how to become dementia-friendly congregations. The Star C program utilizes experienced volunteers as trained consultants to offer in-home interventions to caregivers, utilizing an evidence-based intervention to manage difficult behaviors. The third initiative is Amazing Place's first Spanish program – Cuidando con Respeto (Caring with Respect) – which is being delivered to family caregivers caring for a loved one with dementia in Spanish speaking congregations. In late 2023, Amazing Place decided to add an

additional program to its other three grant initiatives – Cognitive Stimulation Therapy. This program will provide an evidence-based curriculum to adults with mild cognitive impairment or mild dementia two hours per week for seven weeks. Their family members are encouraged to gather for coffee while their loved ones are in the program so they can begin to build a network of other caregivers. The program was officially launched in January 2024.

Federal income tax status – Amazing Place is exempt from federal income tax under §501(c)(3) of the Internal Revenue Code and is classified as a public charity under §170(b)(1)(A)(vi).

Cash – Bank deposits exceed the federally insured limit per depositor per institution. Cash held for long-term investment is grouped with investments and is excluded from cash reported in the statement of cash flows.

Accounts receivable are from participants and third-party payors for Day Program and Virtual Activity Program fees and other services and are based on amounts that reflect the consideration to which Amazing Place expects to be entitled to in exchange for services provided. Amazing Place assesses ability to pay on all participant accounts prior to providing services, does not require collateral or provide financing, but does provide scholarships. Subsequent changes to the consideration Amazing Place expects to receive that are determined to be the result of an adverse change in the customer’s ability to pay are recorded as an allowance for uncollectible accounts receivable and bad debt expense. It is Amazing Place’s policy to write-off receivables against the allowance when management determines the receivable will not be collected. Accounts receivable were \$35,479, \$49,609 and \$38,277 at December 31, 2023, 2022 and 2021, respectively.

The composition of receivables from participants and third-party payors was as follows at December 31:

	<u>2023</u>	<u>2022</u>
U. S. Department of Veterans Affairs	13%	16%
Private pay	87%	84%

Contributions receivable that are expected to be collected within one year are reported at net realizable value. Amounts expected to be collected in future years are discounted to estimate the present value of future cash flows. Discounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of discounts is included in contribution revenue. An allowance for uncollectible receivables is provided when it is believed balances may not be collected in full. The adequacy of the allowance at the end of each period is determined using a combination of historical loss experience and donor-by-donor analysis of balances.

Investments are reported at fair value. Net investment return consists of interest and dividends, realized and unrealized gains and losses, net of external and direct internal investment expenses.

Operating leases – Operating right-of-use assets are recognized at the present value of the lease payments at inception of the lease adjusted, as appropriate, for certain other payments and allowances related to obtaining the lease and placing the asset in service. Operating right-of-use assets are amortized so that lease costs remain constant over the lease term. Short-term leases with terms of 12 months or less are recognized as expense on a straight-line basis over the lease term. Amazing Place uses a risk-free discount rate as the discount rate when the rate implicit in a lease is not readily determinable. Amazing Place elected not to separate lease and non-lease components for office space leases and long-term ground leases.

Property and equipment are reported at cost if purchased or at fair value at the date of gift if donated. Amazing Place capitalizes property and equipment that have a cost or fair value of \$1,000 or greater and an estimated useful life of more than one year. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets, which range from 4 to 50 years.

Net asset classification – Net assets, revenue, gains, and losses are classified based on the existence or absence of donor-imposed restrictions, as follows:

- *Net assets without donor restrictions* are not subject to donor-imposed restrictions even though their use may be limited in other respects such as by contract or board designation.
- *Net assets with donor restrictions* are subject to donor-imposed restrictions. Restrictions may be temporary in nature, such as those that will be met by the passage of time or use for a purpose specified by the donor, or may be perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. Net assets are released from restrictions when the stipulated time has elapsed, or purpose has been fulfilled, or both. Contributions of long-lived assets and of assets restricted for acquisition of long-lived assets are released when those assets are placed in service. Donor-restricted endowment earnings are released when those earnings are appropriated in accordance with spending policies and are used for the stipulated purpose.

Contributions are recognized as revenue at fair value when an unconditional commitment is received from the donor. Contributions received with donor stipulations that limit their use are classified as *with donor restrictions*. Conditional contributions are subject to one or more barriers that must be overcome before the organization is entitled to receive or retain funding. Conditional contributions are recognized as revenue at fair value when the conditions have been met. Funding received before conditions are satisfied is reported as refundable advances.

Contributions of services are recognized when services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Volunteers provided more than 8,980 volunteer hours with an estimated value of \$285,000 in 2023 and 5,706 volunteer hours with an estimated value of \$170,000 in 2022 to assist Amazing Place in providing program services for which no amount has been recorded in the financial statements because the services did not meet the criteria for recognition under generally accepted accounting principles. The estimated value is based on the Internal Revenue Services volunteer wage rate.

Program revenue is derived primarily from contracts with individuals or third-party payors to provide an in-person day center and virtual activity programs for adults from the greater Houston area with mild to moderate dementia. Additionally, nutritional meals were sold to program participants and to the Houston community at large in 2022. Revenue is recognized as performance obligations are satisfied, in an amount that reflects the consideration that Amazing Place expects to be entitled to in exchange for those services. As a practical expedient, Amazing Place considers enrollment fees to be immaterial and accordingly, they are not disaggregated from participant revenue.

Performance obligations related to revenue from contracts with customers for in-person day center, virtual activity programs, or a hybrid of the two, are satisfied over a period of time as services are provided. Amazing Place recognizes revenue based on the service output as it believes this to be the most faithful depiction of the transfer of control of services as participants simultaneously receive and consume the benefits provided by the performance. For performance obligations related to the sale of nutritional meals, revenue is recognized at the point in time the meals are delivered to the customer.

Revenue from contracts with individuals is billed on the first of each month in which the services are to be provided based on the number of days the participant chooses to attend the day center. The Virtual Activity Program is provided through a subscription which is monthly, three or six months, and payments are due 30 days from the invoice date. Revenue from contracts with third-party payors is billed at the end of the month based on actual attendance. Private pay rates are determined and published and periodically updated by management. Reimbursement rates from private third-party payors are negotiated with each payor. These participants are responsible for co-insurance and deductibles that vary in amount. Services rendered to veterans are paid at daily rates determined by the U. S. Department of Veterans Affairs (USDVA). Services rendered to participants referred by the Houston Area Agency on Aging (AAA) are paid at daily rates negotiated and agreed to by AAA and Amazing Place. These amounts are due from participants or third-party payors and include variable consideration such as explicit price concessions. Explicit price concessions include contractual adjustments provided to participants and third-party payors. These adjustments are estimated based on the most likely amount subject to the terms of the payment agreement with the payors and the historical adjustment activity. Scholarships awarded reduce the amount of consideration Amazing Place expects to be entitled to receive and the participant revenue is presented net of scholarships.

Amazing Place has elected the practical expedient to not adjust the promised amount of consideration for the effects of a significant financing component due to expectations that the periods between the time services are provided and the time payment is received would be less than one year. At fiscal year end 2023, there are no unsatisfied performance obligations.

Special events revenue is the total amount paid by sponsors and attendees of an event and includes elements of both contributions and exchange transactions. Special events revenue is recognized when the event occurs. Amounts received for future events represent conditional contributions and are reported in the statement of financial position as deferred revenue until earned. Direct donor benefit costs represent the cost of goods and services provided to attendees of special events.

Advertising costs are expensed as incurred.

Functional allocation of expenses – Expenses are reported by their functional classification. Program services are the direct conduct or supervision of activities that fulfill the purposes for which the organization exists. Fundraising activities include the solicitation of contributions of money, securities, materials, facilities, other assets, and time. Management and general activities are not directly identifiable with specific program or fundraising activities. Expenses that are attributable to more than one activity are allocated among the activities benefitted. Salaries and related costs are allocated on the basis of estimated time and effort expended. Depreciation of building and improvements and occupancy costs are allocated based on square footage. Information technology costs are allocated based on estimates of time and costs of specific technology utilized.

Estimates – Management must make estimates and assumptions to prepare financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, the amounts of reported revenue and expenses, and the allocation of expenses among various functions. Actual results could vary from the estimates that were used.

NOTE 2 – LIQUIDITY AND AVAILABILITY OF RESOURCES

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use within one year of December 31 comprise the following:

	<u>2023</u>	<u>2022</u>
Financial assets:		
Cash	\$ 3,071,022	\$ 1,877,179
Accounts receivable	35,479	49,609

Board-designated reserves less amounts to be used for upcoming year	<u>(122,932)</u>	<u>(159,247)</u>
Total financial assets available for general expenditure	<u>\$ 1,595,461</u>	<u>\$ 1,208,212</u>

For purposes of analyzing resources available to meet general expenditures over a 12-month period, Amazing Place considers all expenditures related to its ongoing activities of providing a day center for adults with mild to moderate dementia and also support and education, as well as the conduct of services undertaken to support those activities, to be general expenditures.

To manage unanticipated liquidity needs, Amazing Place has a committed line of credit of \$250,000, all of which could be drawn upon. Additionally, Amazing Place has board-designated reserves of \$122,932 at December 31, 2023. Although Amazing Place does not intend to spend from the board-designated cash and investments, amounts from the board-designated cash and investments could be made available, if necessary.

NOTE 3 – CASH

Cash consists of the following:

	<u>2023</u>	<u>2022</u>
Operating cash	\$ 1,270,705	\$ 524,798
Board-designated reserves	122,932	159,247
Board-designated for capital campaign	790,538	800,000
Cash restricted for capital campaign	<u>886,847</u>	<u>393,134</u>
Total cash	<u>\$ 3,071,022</u>	<u>\$ 1,877,179</u>

NOTE 4 – CONTRIBUTIONS RECEIVABLE

Contributions receivable are as follows:

	<u>2023</u>	<u>2022</u>
Contributions receivable	\$ 2,509,610	\$ 2,642,268
Discount to net present value at 0.17% to 4.22%	(31,556)	(56,993)
Allowance for uncollectible contributions	<u>(6,962)</u>	<u>(10,058)</u>
Contributions receivable, net	<u>\$ 2,471,092</u>	<u>\$ 2,575,217</u>

Contributions receivable at December 31, 2023 are expected to be collected as follows:

Less than one year	\$ 1,998,200
One to five years	<u>511,410</u>
Total contributions receivable	<u>\$ 2,509,610</u>

NOTE 5 – INVESTMENTS AND FAIR VALUE MEASUREMENTS

Investments consist of the following:

	<u>2023</u>	<u>2022</u>
U. S. Treasury securities	\$ 5,424,939	\$ 5,260,158
Common stock	686,112	542,229
Corporate bonds	334,167	227,304
Money market mutual fund	285,725	301,423
Preferred stock	<u>14,217</u>	<u>12,880</u>
Total investments at fair value	6,745,160	6,343,994
Cash	<u>29</u>	<u>12,743</u>
Total investments	6,745,189	6,356,737
Investments restricted for endowment	<u>(1,308,571)</u>	<u>(1,137,021)</u>
Investments restricted for capital campaign	<u>\$ 5,436,618</u>	<u>\$ 5,219,716</u>

Investments are exposed to various risks such as interest rate, market and credit risks. Because of these risks, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position and statement of activities.

Generally accepted accounting principles require that certain assets and liabilities be reported at fair value and establish a hierarchy that prioritizes inputs used to measure fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The three levels of the fair value hierarchy are as follows:

- *Level 1* – Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the reporting date.
- *Level 2* – Inputs are other than quoted prices included in Level 1, which are either directly observable or can be derived from or corroborated by observable market data at the reporting date.
- *Level 3* – Inputs are not observable and are based on the reporting entity’s assumptions about the inputs market participants would use in pricing the asset or liability.

Assets measured at fair value at December 31, 2023 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Investments:				
U. S. Treasury securities	\$ 5,424,939			\$ 5,424,939
Common stock:				
Information technology	181,226			181,226
Consumer	147,343			147,343
Healthcare	95,289			95,289
Utilities and telecommunication	95,093			95,093
Industrial and materials	85,936			85,936
Financial	65,556			65,556
Energy	15,669			15,669
Corporate bonds		\$ 334,167		334,167
Money market mutual fund	285,725			285,725
Preferred stock	14,217			14,217
Total assets measured at fair value	<u>\$ 6,410,993</u>	<u>\$ 334,167</u>	<u>\$ 0</u>	<u>\$ 6,745,160</u>

Assets measured at fair value at December 31, 2022 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Investments:				
U. S. Treasury securities	\$ 5,260,158			\$ 5,260,158
Common stock:				
Information technology	124,760			124,760
Consumer	124,670			124,670
Healthcare	88,560			88,560
Utilities and telecommunication	69,233			69,233
Industrial and materials	83,706			83,706
Financial	41,270			41,270
Energy	10,030			10,030
Corporate bonds		\$ 227,304		227,304
Money market mutual fund	301,423			301,423
Preferred stock	12,880			12,880
Total assets measured at fair value	<u>\$ 6,116,690</u>	<u>\$ 227,304</u>	<u>\$ 0</u>	<u>\$ 6,343,994</u>

Valuation methods used for assets measured at fair value are as follows:

- *U. S. Treasury securities* are valued using prices obtained from active market makers and inter-dealer brokers on a daily basis.
- *Common* and *preferred stock* are valued at the closing price reported on the active market on which the individual securities are traded.
- *Corporate bonds* are valued using prices obtained from independent quotation bureaus that use computerized valuation formulas which may include market-corroborated inputs for credit risk factors, interest rate and yield curves and broker quotes to calculate fair values.
- *Mutual fund* is valued at the net asset value of shares held at year end.

These valuation methods may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Amazing Place believes its valuation methods are appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

NOTE 6 – LEASES

At December 31, 2023 and 2022, operating lease right-of-use assets and lease liabilities included a real estate lease for office space and a long-term ground lease for a portion of the land occupied by its facility. The components of lease costs are as follows:

	<u>2023</u>	<u>2022</u>
Operating lease costs	\$ 46,750	\$ 28,750
Short-term lease costs	<u>17,522</u>	<u>14,592</u>
Total lease costs	<u>\$ 64,272</u>	<u>\$ 43,342</u>

Cash paid for amounts included in the measurement of lease liabilities are as follows:

Operating leases – operating cash outflows	\$46,750	\$28,750
--	----------	----------

The weighted-average term and discount rates for operating leases outstanding are as follows:

Weighted-average remaining lease term	319 months	246 months
Weighted-average discount rate	0.33%	0.31%

Undiscounted cash flows related to operating lease liabilities at December 31, 2023 are as follows:

2024	\$ 46,750
2025	3,550
2026	3,550
2027	3,550
2028	3,550
Thereafter	<u>136,969</u>
Total undiscounted cash flows	197,919
Less discount to present value	<u>(91,133)</u>
Total discounted present value of lease liabilities	<u>\$ 106,786</u>

NOTE 7 – PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

	<u>2023</u>	<u>2022</u>
Land	\$ 1,955,142	\$ 1,955,142
Building and improvements	6,111,994	6,111,994

Accumulated depreciation	<u>(2,151,756)</u>	<u>(1,972,280)</u>
Property and equipment, net	<u>\$ 8,353,597</u>	<u>\$ 7,709,662</u>

In connection with the *Amazing Together* Campaign, Amazing Place has signed agreements with a general contractor and an architect. Outstanding commitments under these agreements total approximately \$8.65 million at December 31, 2023.

NOTE 8 – NOTES PAYABLE

Amazing Place has a \$250,000 revolving line of credit with a bank with interest at prime rate plus 0.5 percentage points (9.0% at December 31, 2023), which expires on June 2, 2025. There are no amounts outstanding on this line of credit at December 31, 2023. The line of credit agreement contains certain covenants related to working capital and additional borrowings and gives the bank the ability to use certain account balances to offset any amounts due under the line of credit.

In June 2019, Amazing Place entered into an \$800,000 loan with Texas Methodist Foundation (TMF) in connection with the purchase of land in the West Houston/Katy, Texas area. The note was refinanced in 2020 and bears interest at a fixed rate of 3.95% with monthly interest only payments until July 2023, at which time payments will be based on a 19-year amortization with the interest rate adjusted every three years based on prime rate (9.2% at December 31, 2023). TMF also granted a deferral of interest payments of \$10,457 until the maturity date of the loan. The note is secured by land purchased and matures on July 7, 2042. Interest of \$31,555 and \$31,600 was capitalized in 2023 and 2022, respectively. The balance outstanding at December 31, 2023 and 2022 was \$790,538 and \$800,000, respectively.

Principal payments at December 31, 2023 are due as follows:

2024	\$ 29,346
2025	30,613
2026	31,845
2027	33,126
2028	34,385
Thereafter	<u>631,223</u>
Total notes payable	<u>\$ 790,538</u>

NOTE 9 – NET ASSETS WITHOUT DONOR RESTRICTIONS

Net assets without donor restrictions are comprised of the following:

	<u>2023</u>	<u>2022</u>
Undesignated	\$ 7,663,115	\$ 7,275,595
Designated for capital campaign	790,538	800,000
Board-designated reserves:		
Operating	101,225	101,225
Maintenance	12,254	12,254
Capital	9,453	9,453
Scholarships	<u>36,315</u>	<u>36,315</u>
Total net assets without donor restrictions	<u>\$ 8,576,585</u>	<u>\$ 8,234,842</u>

The Board of Directors (the Board) has established four reserves for operating, scholarships, capital, and maintenance. The following policies have been adopted for the funding and use of the reserve funds:

- Operating Reserve – The reserve will be replenished annually based on 10% of net positive cash flow.
- Maintenance Reserve – The maintenance reserve will be replenished annually based on 2% of participant revenue. If the maintenance reserve exceeds \$30,000 upon replenishment, the excess funds will be added to the operating reserve.
- Capital Reserve – The capital reserve will be replenished annually based on 10% of annual depreciation expense. If the capital reserve exceeds \$100,000 upon replenishment, the excess funds will be added to the operating reserve.
- Scholarship Reserve – The net investment return earned on funds set aside for the scholarship reserve will be added to the scholarship reserve annually to replenish it.

The Board suspended additions to all four reserve funds in 2023. Any disbursements from the reserve funds must be approved by the Board.

NOTE 10 – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted as follows:

	<u>2023</u>	<u>2022</u>
Subject to expenditure for specified purpose:		
<i>Amazing Together</i> Campaign – capital	\$ 8,272,950	\$ 7,704,333
Participant scholarships	778,882	124,348
<i>Amazing Together</i> Campaign – scholarships	382,352	382,352
Chair replacement	55,000	
Other	<u>17,759</u>	<u>22,759</u>
Total subject to expenditure for specified purpose	9,506,943	8,233,792
Subject to passage of time:		
Contributions receivable that are not restricted by donors, but which are unavailable for expenditures until due	18,625	15,625
Endowments:		
Subject to spending policy and appropriation:		
General operations	<u>1,308,571</u>	<u>1,137,021</u>
Total net assets with donor restrictions	<u>\$ 10,834,139</u>	<u>\$ 9,386,438</u>

NOTE 11 – ENDOWMENT FUNDS

Amazing Place has a donor-restricted endowment fund to support operations, which is maintained in accordance with explicit donor stipulations and is subject to the Texas Uniform Prudent Management of Institutional Funds Act (TUPMIFA). TUPMIFA provides guidelines about what constitutes prudent spending and explicitly requires consideration of preservation of the fund. The Board of Amazing Place has interpreted TUPMIFA as requiring a focus on the entirety of the donor-restricted endowment fund, including original gift amounts and net appreciation, allowing Amazing Place’s Board to appropriate for expenditure or accumulate as much of an endowment fund as considered prudent for the uses, benefits, purposes, and duration for which the fund was established, subject to explicit donor stipulations.

As a result of this interpretation, Amazing Place classifies contributions to the endowment plus any donor-stipulated accumulations as *net assets with donor restrictions* required to be maintained in perpetuity. This amount is not reduced by investment losses or by appropriation and spending. The portion of the endowment not required to be maintained in perpetuity is classified as *net assets with donor restrictions* until appropriated in accordance with spending policies and used for the stipulated purpose, if any.

An endowment fund is *underwater* if the fair value of the fund’s investments falls below the amount required to be maintained in perpetuity because of declines in the fair value of investments and/or continued appropriation and spending in accordance with prudent spending. There were no such deficiencies at December 31, 2023 and 2022.

Investment Policies and Strategy

Amazing Place has adopted an investment policy for endowment assets that has the objective to obtain the best possible return on investments commensurate with a moderate degree of risk with diversification of assets among different classes of investments as a means of reducing risk. Under this policy, as approved by the Board, the investments may be invested in mutual funds, index funds, common trust funds, or actively managed in stocks, bonds, and other securities.

Amazing Place has a policy of appropriating for distribution each year 50% of the earnings from the endowment, not to exceed 4% of the endowment fund’s average market value for the prior twelve quarters through the calendar year end preceding the fiscal year in which the distribution is planned. Investment return that is in excess of the stated disbursement objective will be reinvested. To the extent that the current year’s investment return is insufficient to meet the minimum disbursement objective, Amazing Place may use reinvested income from prior or subsequent years to make up the difference in the current year’s shortfall. In establishing this policy, Amazing Place considered the long-term expected return on its endowment, the nature and duration of the endowment fund, and the possible effects on inflation.

Changes in the donor-restricted endowment fund are as follows:

	<u>WITH DONOR RESTRICTIONS</u>		
	<u>ACCUMULATED</u>	<u>REQUIRED TO BE</u>	
	<u>NET INVESTMENT</u>	<u>MAINTAINED</u>	
	<u>RETURN</u>	<u>IN PERPETUITY</u>	<u>TOTAL</u>
Endowment net assets, December 31, 2021	\$ 413,312	\$ 725,882	\$ 1,139,194
Contribution		150,000	150,000
Net investment return	(112,173)		(112,173)
Distributions	<u>(40,000)</u>		<u>(40,000)</u>
Endowment net assets, December 31, 2022	<u>261,139</u>	<u>875,882</u>	<u>1,137,021</u>
Net investment return	217,930		217,930
Distributions	<u>(46,380)</u>		<u>(46,380)</u>
Endowment net assets, December 31, 2023	<u>\$ 432,689</u>	<u>\$ 875,882</u>	<u>\$ 1,308,571</u>

Endowment net assets are comprised of investments at December 31, 2023 and 2022.

NOTE 12 – CONDITIONAL CONTRIBUTIONS

In September 2021, Amazing Place was awarded a grant from the Administration for Community Living, U. S. Department of Health and Human Services (ACL-DHHS) for expanded and new direct services for persons with Alzheimer’s disease or related dementias and their families. The total three-year cost reimbursement award is \$985,883, with an additional \$328,627 of matching funds to be raised by Amazing Place over the three-year period. During 2023 and 2022, Amazing Place recognized \$353,931 and \$219,781, respectively, in contribution revenue under this cooperative agreement as it incurred expenditures in compliance with grant provisions and met the match. At December 31, 2023, Amazing Place has \$412,171 of conditional contributions from the ACL-DHHS which have not been recognized in the accompanying financial statements because the conditions have not been met.

Government awards require fulfillment of certain conditions as set forth in the agreements and are subject to review and audit by the awarding agencies. Such reviews and audits could result in the discovery of unallowable activities and unallowable costs. Consequently, the funding source may, at its discretion, request reimbursement for expenses or return of funds as a result of non-compliance by Amazing Place with the terms of the agreement. Management believes such disallowances, if any, would not be material to Amazing Place’s financial position or changes in net assets.

NOTE 13 – PROGRAM REVENUE

Amazing Place disaggregates revenue from contracts with customers by type of services and payor source as this depicts the nature, amount, timing, uncertainty and cash flows as affected by economic factors. Revenue from contracts with customers, which is recognized over time, consists of the following:

	2023			
	OVER TIME		POINT-IN-TIME	
	IN-PERSON PROGRAMS	VIRTUAL ACTIVITY PROGRAMS	NUTRITIONAL MEALS	TOTAL
Private pay	\$ 877,950	\$ 34,350		\$ 912,300

Total	<u>\$ 848,599</u>	<u>\$ 63,060</u>	<u>\$ 39,004</u>	<u>\$ 950,663</u>

Amazing Place awarded scholarships to participants of \$132,724 and \$75,805 in fiscal years 2023 and 2022, respectively.

NOTE 14 – CONCENTRATIONS

At December 31, 2023 and 2022, approximately 84% and 74% of contributions receivable are due from four and five donors, respectively. During 2023 and 2022, contributions from three donors comprised 39% and 48% of total contributions, respectively.

NOTE 15 – SUBSEQUENT EVENTS

In April 2024, Amazing Place entered into a \$5 million construction line of credit with TMF.

Management has evaluated subsequent events through May 16, 2024, which is the date that the financial statements were available for issuance. As a result of this evaluation, no other events were identified that are required to be disclosed or would have a material impact on reported net assets or changes in net assets.
