

ROOTED. GROWING. LEADING.

AMAZING PLACE.
2025 ANNUAL REPORT

A MESSAGE FROM LEADERSHIP

In anticipation of our 30th anniversary, 2025 was a remarkable year for Amazing Place. We re-envisioned our governance structure, completed our *Amazing Together* capital campaign, opened our second campus, expanded proven programs and successfully served more than 10,000 individuals, the greatest number in our history. We doubled-down on a pathway forward — from prevention, to care, to education, resources and support — for anyone who cares about brain health. These achievements, and many others, were possible because our work is built on certain shared, unwavering beliefs.

Thank you for your trust in us. Our supporters are the dynamic spark that enables us to lead the way in navigating dementia and nurturing brain health. As we look forward to the next 30 years, we will build on our strong, faith-based roots. We will innovate to meet the growing demands of our community. And because it's never too early or too late to care about brain health, we will always lead through hope and optimism.

In gratitude,

A handwritten signature in blue ink that reads "Tracey".

Tracey Brown
President & CEO

OUR SHARED BELIEFS

We are rooted in unshakeable faith. Faith that inspires us to respect God-given talents at any age. Faith that each day presents new opportunities for which to be thankful. Faith that optimism and joy can achieve miracles. Our member churches, Board of Directors, Advisory Council and two Councils of Congregations continued to provide unsurpassed leadership last year.

We are growing because we fill an unmet need. Grounded in evidence-based research, our unique combination of services ranging from **Cognitive Stimulation Therapy (CST)** and our **Day Program** to **Care Navigation**, **Savvy Caregiver®** and **Spanish language** initiatives to **Brain Health** education programs, proved once again to empower those diagnosed, their caregiving families, and brain health advocates.

We are leaders in navigating dementia and nurturing brain health. Since our founding, Amazing Place's programs have commanded the unqualified respect of our community. We look beyond a clinical diagnosis to help our neighbors take action in holding on to who they are for as long as possible. Committed to excellence in everything we do, we believe that if you know more, you can do more to improve the quality of your life.

EVOLVING GOVERNANCE

Last year, as part of our strategic planning process, we updated our governance structure to accommodate our growth and expansion to two campuses. Beginning in 2026 Amazing Place will have a membership of 24 congregations and a board composed of 15 Directors, including the organization's President & CEO. Non-governing leadership will include our Advisory Council and two Council of Congregations, one each for our Central and West campuses.

2025
HIGHLIGHTS

RECORD-BREAKING PHILANTHROPY

Because of the extraordinary generosity of our community in 2025, we were able to close out our \$21 million *Amazing Together* campaign. We were blessed to receive two separate \$3 million gifts, one from The Hamill Foundation, and the other from Bethany Christian Church. In gratitude, we named our Central location The Bethany Campus, and our West location as The Hamill Foundation Campus.

Our annual dinner raised \$891,705, a record-breaking capstone to the year. We are thankful for all those who gave their time, talent and treasure in 2025 to help secure our operational and programming excellence for years to come.

OPENING A SECOND CAMPUS

In September, the Katy community welcomed the opening of our beautiful second location, Amazing Place West. With facilities and trained staff in place plus the help of many new volunteers, we hit the ground running with **Caregiver** and **Brain Health** programs as we waited for **Day Program** licensing approval from the State. With a few exceptions, the new campus offers identical services as found at our Central facility. True to the vision of our founder Rev. Dean Robinson and current leadership, we are now able to serve more individuals and families in need of affordable, accessible dementia care, support and education.

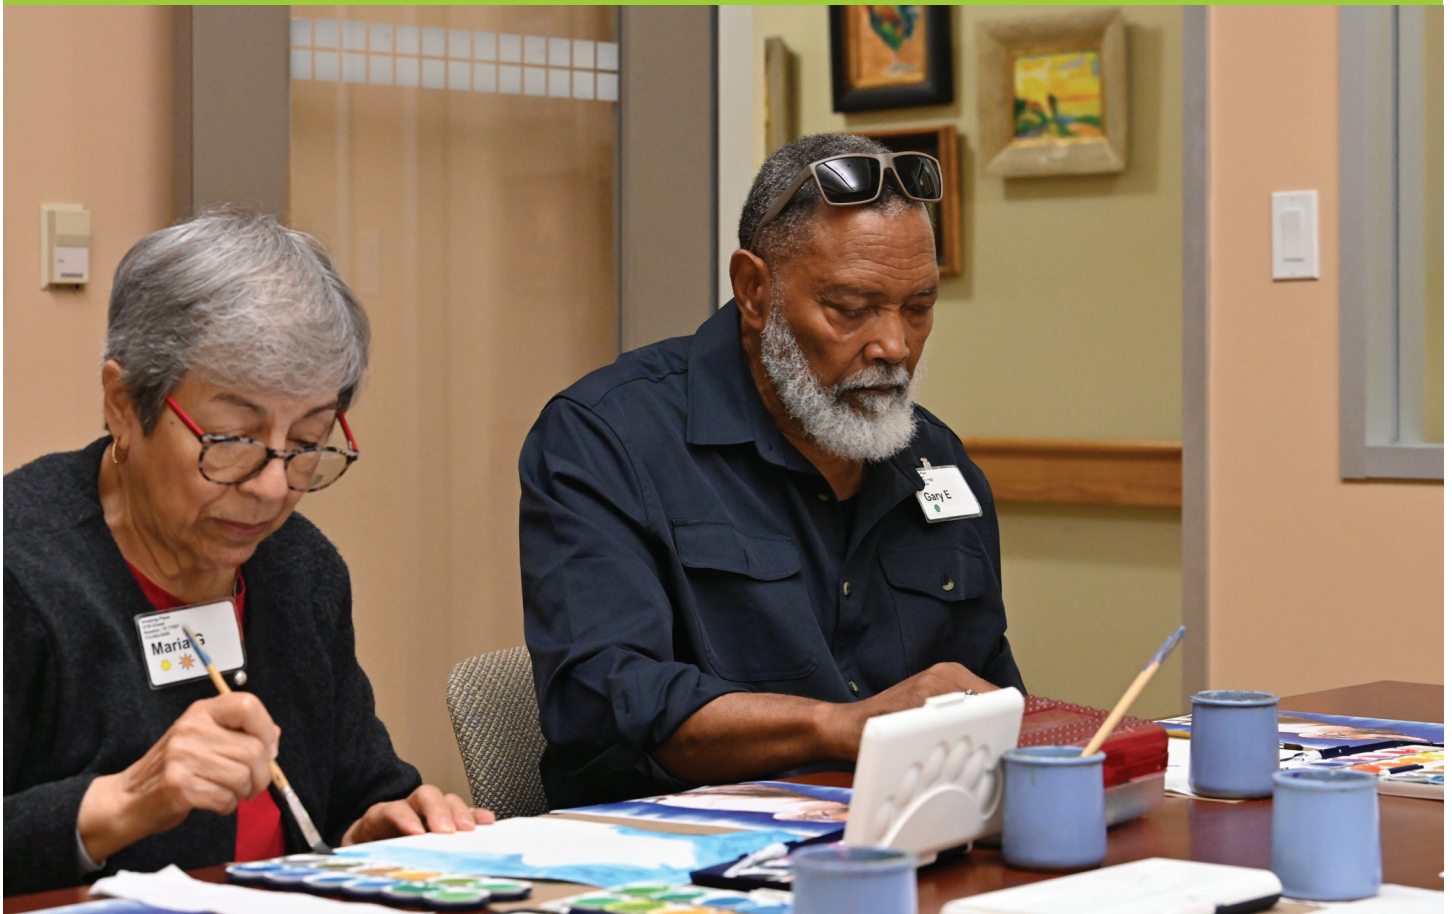

CONNECTING WITH DIVERSE COMMUNITIES

Amazing Place is leading the way in offering culturally appropriate, language-specific services, such as **Cuidando con Respeto**, which we introduced to the area. Last year, we more than quadrupled the number of Spanish-speaking dementia caregivers we served.

We also introduced a Spanish language support group for those in Katy/west Houston, and we began hosting virtual English-Spanish hybrid dementia caregiver classes as well as **Caregivers Connect** to better serve the needs of our diverse community.

2025
HIGHLIGHTS

EMPOWERING THE CAREGIVERS

In 2025, Amazing Place uncompromisingly sought to support caregiving families in new, innovative ways. Led by a licensed clinical social worker, our free **Care Navigation** service compassionately answered more than 1,400 calls for resources, connections and next step advice to anyone facing challenges at any stage of the disease. We also served more caregivers than ever before through **Savvy Caregiver**® classes and expanded programs like **Caregivers Connect**, a single-topic informal gathering for caregivers to share experiences and learn new techniques to manage behaviors.

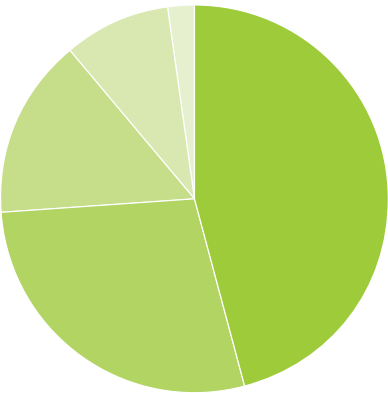

LIVING BETTER BY KNOWING MORE

45% of dementia cases are preventable and it is possible to slow progression of the disease by taking action*. In 2025, we increased the number of **Cognitive Stimulation Therapy** sessions we offer. We also expanded the number of **Brain Health Matters** topics we offer groups free of charge. We joined Project Metis, a collaboration of research institutions and community based organizations led by the Center for Houston's Future, to make our area a leader in Brain Health. These efforts paid off in exciting new ways to communicate that the sooner you show up, the more we can do.

**according to 2024 Lancet Commission Report*

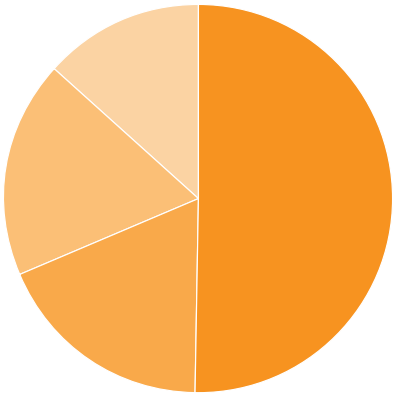

FINANCIAL REPORT

Because of our exceptional leadership, the generosity of our supporters and the expertise of our staff in 2025, Amazing Place continued to be our area’s leader in navigating dementia and nurturing brain health. We grew innovative programming while opening our second campus and serving more individuals in our community than ever. The cash position of the organization was strong at the end of 2025 with **\$4,045,105** in operating cash and **\$1,946,762** in restricted cash and investments. We are fortunate because of our remarkable donors, volunteers and advocates who are the enduring strength of our organization. Together, we are building for the future with hope and optimism.

2025 REVENUE **\$9,964,561**

- Amazing Together Campaign 46%
- Contributions 28%
- Day Program & Related Revenue 15%
- Special Events 9%
- Net Investment Return 2%

2025 EXPENSES **\$6,149,242**

- Day Program 50%
- Caregiver Support & Brain Health Programs 18%
- Management and General 18%
- Fundraising 14%

2025 DONORS

We are truly grateful for all of the generous donors who blessed Amazing Place in 2025.
